and Dissemination of Mational Bitimates

REPAREMENT:

Memorandum from the Joint Intelligence Committee, dated 17 April 1950, addressed to the Chairman, Intelligence Advisory Committee, received 26 April

1950.

- 1. Answering the referenced monorandum, a copy of which is enclosed: The Intelligence Advisory Committee, established by MSCID 1 to sivise the Director of Central Intelligence, has no supervisory powers and it has no "collective" intelligence production responsibility as confirmed by Section 5b, "Comments," Page 3 of HSC 53.
 - a. In accordance with DCI Directive 3/1, as a memeral principle no drafts of national estimates are circulated other than to the intelligence agencies themselves until finally and definitely issued with the concurrences or dissents of the members of the Intelligence Advisory Committee. However, when considered advantageous or edvisable by the Director of Central Intelligence, some very limited dissemination has been made in the past and may be sade in the fature in special cases.
 - b. When an established deadline is that god, notification vill be sent promptly to the perticipating agencies as well as telephones. to the participating individuals concerned. This is the current practice.
 - c. Dissents or comments from the newbers of the intelligate Advisory Committee are handled in accordance with DCI Directive 3/2. A note on the first page refers to the concurrences or dissents, and dissents are printed in the same publication. It is felt that this presentation, to a logical and practicable artent, core give dissents equality of procinence.
